

§ 50.21

Secretary as provided in that section) during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), an insurer must:

(1) Make available, in all of its property and casualty insurance policies, coverage for insured losses; and

(2) Make available property and casualty insurance coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism.

(b) *Program Year 3—calendar year 2005.* In accordance with the determination of the Secretary announced June 18, 2004, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Year 3. Notwithstanding paragraph (a)(2) of this section and § 50.23(a), property and casualty insurance coverage for insured losses does not have to be made available beyond December 31, 2005 (the last day of Program Year 3) even if the policy period of insurance coverage for losses from events other than acts of terrorism extends beyond that date.

§ 50.21 Make available.

(a) *General.* The requirement to make available coverage as provided in § 50.20 applies to policies in existence on November 26, 2002, new policies issued and renewals of existing policies during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), and to new policies issued and renewals of existing policies in Program Year 3 (calendar year 2005). The requirement applies at the time an insurer makes the initial offer of coverage as well as at the time an insurer makes an initial offer of renewal of an existing policy.

(b) *Changes negotiated subsequent to initial offer.* If an insurer satisfies the requirement to “make available” coverage as described in § 50.20 by first making an offer with coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, which the pol-

icyholder declines, the insurer may negotiate with the policyholder an option of partial coverage for insured losses at a lower amount of coverage if permitted by any applicable State law. An insurer is not required by the Act to offer partial coverage if the policyholder declines full coverage. See § 50.24.

(c) *Demonstration of compliance.* If an insurer makes an offer of insurance but no contract of insurance is concluded, the insurer may demonstrate that it has satisfied the requirement to make available coverage as described in § 50.20 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

[68 FR 19307, Apr. 18, 2003, as amended at 68 FR 59727, Oct. 17, 2003; 70 FR 7405, Feb. 14, 2005]

§ 50.23 No material difference from other coverage.

(a) *Terms, amounts, and other coverage limitations.* As provided in § 50.20(a)(2), an insurer must offer coverage for insured losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations (including deductibles) applicable to losses from other perils. For purposes of this requirement, “terms” excludes price.

(b) *Limitations on types of risk.* If an insurer does not cover all types of risks, then it is not required to cover the excluded risks in satisfying the requirement to make available coverage for losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism. For example, if an insurer does not cover all types of risks, either because the insurer is outside of direct State regulatory oversight, or because a State permits certain exclusions for certain types of losses, such as nuclear, biological, or chemical events, then the insurer is not required to make such coverage available.
